

 **Learning Objective:** To recognise, write and order numbers up to four digits

Circle the value of the numbers in bold.

8109	→	hundreds	tens	thousands	ones
2987	→	ones	tens	hundreds	thousands
8122	→	hundreds	ones	thousands	tens
3426	→	thousands	hundreds	tens	ones
6916	→	tens	thousands	hundreds	ones

Complete the questions below.

What number comes before and after?

Complete the table.

Before		After
4108	4109	
	450	451

Circle the value of the number in bold.

1547	
thousands	hundreds
tens	ones

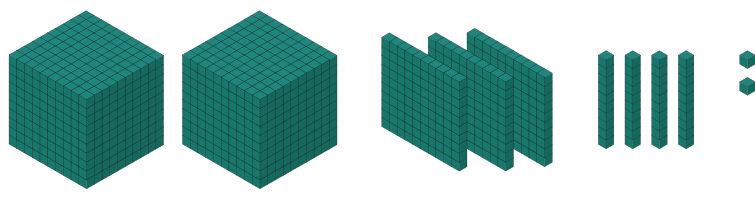

Complete the table.

Before		After
998	999	
	1900	1901

Circle the value of the number in bold.

4210	
thousands	hundreds
tens	ones

Circle the number that comes after the number represented by the Base 10 materials.

		
2341	2353	2343
