

Learning Objective: To recognise, write and order numbers up to four digits

Circle the value of the numbers in bold.

4501		hundreds	tens	thousands	ones
7352		ones	tens	hundreds	thousands
3962		hundreds	ones	thousands	tens
5371		thousands	hundreds	tens	ones
9755		tens	thousands	hundreds	ones

Complete the questions below.

What number comes before and after?

Complete the table.

Before		After
5602	5603	
	240	241

Complete the table.

Before		After
698	699	
	2800	2801

Circle the value of the number in bold.

3759	
thousands	hundreds
tens	ones

Circle the value of the number in bold.

8210	
thousands	hundreds
tens	ones

Highlight the number that comes after the number represented by the Base 10 materials.

2357	2356	2346

Learning Objective: To recognise, write and order numbers up to four digits

Circle the value of the numbers in bold.

4501	→	hundreds	tens	thousands	ones
7352	→	ones	tens	hundreds	thousands
3962	→	hundreds	ones	thousands	tens
5371	→	thousands	hundreds	tens	ones
9755	→	tens	thousands	hundreds	ones

Complete the questions below.

What number comes before and after?

Complete the table.

Before		After
5602	5603	5604
239	240	241

Complete the table.

Before		After
698	699	700
2799	2800	2801

Circle the value of the number in bold.

3759	
thousands	hundreds
tens	ones

Circle the value of the number in bold.

8210	
thousands	hundreds
tens	ones

Highlight the number that comes after the number represented by the Base 10 materials.

2357	2356	2346
