Learning Objective: To solve word problems involving time

Use the information on the departure board in Tokyo to answer the questions.

Arrival Time	From	Flight Number	Remarks
13:30	Singapore	AL564	Expected 17:15
14:05	Doha	KS787	Expected 19:45
14:30	Kuala Lumpur	LR6092	Expected 16:50
15:50	Osaka	PK444	Landed
16:55	Edinburgh	NI565	On time
17:20	Oslo	B3987	On time
18:35	Kuta	LP344	On time
19:50	Christchurch	LR908	On time

How late is the flight from Singapore? ➡

The flight from Osaka has just landed. How long until the flight from Kuta lands? ➡
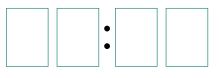

How late is the flight from Kuala Lumpur? ➡
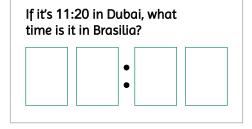

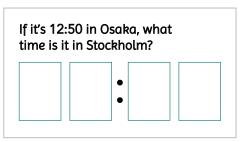

Complete the questions below.

GMT stands for Greenwich Mean Time. GMT is used as a standard time around the world. As the Earth rotates, different parts of the world experience day and night at different times. We use GMT (also known as UTC) as an agreed reference for time. Time zones are important for many reasons including business and travel.

City	Time Zone
Singapore	GMT + 8
Dubai	GMT + 4
Brasilia	GMT − 3
Osaka	GMT + 9
Stockholm	GMT + 2

If it's 14:50 in Singapore, what time is it in Dubai?

If it's 11:20 in Dubai, what time is it in Brasilia?

If it's 12:50 in Osaka, what time is it in Stockholm?
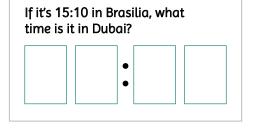

If it's 09:15 in Stockholm, what time is it in Singapore?

If it's 15:10 in Brasilia, what time is it in Dubai?
