

Learning Objective: To solve word problems involving time

Use the information on the departure board in Tokyo to answer the questions.

Arrival Time	From	Flight Number	Remarks
13:30	Singapore	AL564	Expected 17:15
14:05	Doha	KS787	Expected 19:45
14:30	Kuala Lumpur	LR6092	Expected 16:50
15:50	Osaka	PK444	Landed
16:55	Edinburgh	NI565	On time
17:20	Oslo	B3987	On time
18:35	Kuta	LP344	On time
19:50	Christchurch	LR908	On time

How late is
the flight from
Doha?

The flight from
Osaka has just
landed. How long
until the flight
from Oslo lands?

What flight is
expected to land
after 18:30?

Complete the questions below.

GMT stands for Greenwich Mean Time. GMT is used as a standard time around the world. As the Earth rotates, different parts of the world experience day and night at different times. We use GMT (also known as UTC) as an agreed reference for time. Time zones are important for many reasons including business and travel.

City	Time Zone
Singapore	GMT + 8
Dubai	GMT + 4
Brasilia	GMT – 3
Osaka	GMT + 9
Stockholm	GMT + 2

If it's 17:20 in Osaka, what
time is it in Dubai?

 :

If it's 06:40 in Brasilia, what
time is it in Stockholm?

 :

If it's 11:30 in Dubai, what
time is it in Singapore?

 :

If it's 20:15 in Singapore, what
time is it in Stockholm?

 :

If it's 13:05 in Stockholm, what
time is it in Osaka?

 :
