

**Learning Objective:** To solve word problems involving time

Use the information on the departure board in Tokyo to answer the questions.

Arrival Time	From	Flight Number	Remarks
13:30	Singapore	AL564	Expected 17:15
14:05	Doha	KS787	Expected 19:45
14:30	Kuala Lumpur	LR6092	Expected 16:50
15:50	Osaka	PK444	Landed
16:55	Edinburgh	NI565	On time
17:20	Oslo	B3987	On time
18:35	Kuta	LP344	On time
19:50	Christchurch	LR908	On time

How late is  
the flight from  
Kuala Lumpur?

The flight from  
Osaka has just  
landed. How long  
until the flight from  
Christchurch lands?

What flight is  
expected to land  
the earliest?

Complete the questions below.

GMT stands for Greenwich Mean Time. GMT is used as a standard time around the world. As the Earth rotates, different parts of the world experience day and night at different times. We use GMT (also known as UTC) as an agreed reference for time. Time zones are important for many reasons including business and travel.

City	Time Zone
Singapore	GMT + 8
Dubai	GMT + 4
Brasilia	GMT – 3
Osaka	GMT + 9
Stockholm	GMT + 2

If it's 03:50 in Stockholm, what  
time is it in Osaka?

  :  

If it's 09:10 in Singapore, what  
time is it in Dubai?

  :  

If it's 09:15 in Brasilia, what  
time is it in Stockholm?

  :  

If it's 22:25 in Osaka, what  
time is it in Dubai?

  :  

If it's 15:30 in Dubai, what  
time is it in Singapore?

  :
